

ALEXANDRIA GAZETTE.

THURSDAY EVENING, DEC. 14 1901.

LOCAL MATTERS

THE INFLUENZA.—At a meeting of the trustees of the Alexandria Infirmary held yesterday evening some slight changes were made in the medical staff regulations. A committee was also appointed to look into the advisability of changing the name of the institution, and also to ascertain the cost of having an elevator put in the building.

STOCKHOLDERS' MEETING.—A meeting of stockholders in this city of the Arlington Savings and Loan Association, which recently failed in New York, was held this evening at the office of Mr. J. M. Johnson, to take action in their interest. A plan for a settlement, prepared by Mr. Johnson, was submitted and the meeting decided to make preliminary arrangements for the filing of a suit in New York to wind up the affairs of the concern as soon as possible.

About \$35,000 of Alexandria money was invested in the association.

The most effective little liver pills made are DeWitt's Little Early Risers. They never gripe.

LOCAL BREVITIES.

The Fairfax County Court meets on Monday.

Two additional cases of smallpox were discovered yesterday by the health officer in Washington.

Rathbone Company, U. R. K. of P., and Mechanics Lodge, No. 3, held a joint meeting last night, during which Mechanics Lodge conferred the rank of knight upon one candidate.

An exhibition game of basketball will be played in Armory Hall, on south Royal street tonight, between the Alexandria Light Infantry team and the Corcoran Cadets, of Washington.

Mr. Miles M. Schand, superintendent of Calvary Baptist Church Sunday School, of Washington, will address the Berkley Brotherhood at Trinity M. E. Church, in this city, on Sunday evening.

The Westminster League, of the Second Presbyterian Church, held its regular monthly meeting last night. An interesting programme of music and recitations was rendered at the close of the regular business session.

The steam pipes of the steamer Samuel J. Pentz are being disconnected at her Washington wharf, and she will be laid up for the winter. In the early spring she will be given a thorough overhauling, in preparation for the opening of the excursion season.

Marriage licenses were issued in Washington yesterday to Sandy Brooks and Lena Terrell, both of Fairfax county; Charles C. Cox, of Fredericksburg, and Lucy A. Tabb, of Spotsylvania; Patterson Burns and Barbara Rice, both of Richmond; Pendleton Holmes, of Fauquier county, and Bertha J. Day, of Culpeper county, and to James T. Harding and Jamie M. Griffith, of Loudoun county.

An old horse, belonging to Mr. Wm. Hamilton, was shot and killed by a policeman today.

Attention is called to the advertisement of Wm. P. Woolls & Co. of their special prices on fine old wines and liquors. This is one of the oldest and most reliable houses in the city, and parties ordering from them can rely on getting just what they order.

THIS IS GOOD ADVICE.—In reply to a request for advice to advertisers a San Francisco merchant who takes a great deal of space in the leading newspapers and who has succeeded in his business writes: "Do not waste money in 'trying' an ad here and there. In every community there are newspapers of known worth as mediums of publicity. Decide how much money you can afford to invest in advertising, and limit its expenditure to these newspapers."

The Best Prescription for Chills and Fever is a bottle of GROVE'S TASTELESS CHILL TONIC. It is simply iron and quinine in a tasteless form. No cure—no pay. 50c per bottle.

GOOD WHITE LUMBER.—\$4.00 per ton. Best grades of best Lumber at lowest prices. Phone 95. DEW. ATTORNEY, 1213 3d. Cor Duke and Fairfax st.

Chamberlain's Pain Balm Cures Others, Why?

My wife has been using Chamberlain's Pain Balm with good results, for a lame back for nine years. We have tried all kinds of medicines and doctors without receiving any benefit from any of them. One day we saw an advertisement of this medicine and thought of trying it. She has used only one bottle and her shoulder is almost well.

\$1.00 PER YEAR. 10c PER COPY.

Here are a few of the noteworthy features:

"The Newest Science," by great writers. A series of articles by some of the leading scientists of the world.

"The Juvenile Stories," by Robert Barr. A series of humorous tales of the marvelous adventures of James V. of Scotland.
